

TRANSPORTATION DEPARTMENT[761]

Notice of Intended Action

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code sections 307.10 and 307.12 and 2013 Iowa Acts, House File 355, the Iowa Department of Transportation hereby gives Notice of Intended Action to amend Chapter 601, "Application for License," Chapter 604, "License Examination," Chapter 605, "License Issuance," and Chapter 630, "Nonoperator's Identification," Iowa Administrative Code.

2013 Iowa Acts, House File 355, section 1, amends Iowa Code section 321.196 and allows the Department to excuse certain persons from a vision screen or submission of a vision report in order to allow for electronic (online) renewals.

These amendments will allow the Department to implement electronic renewal of driver's licenses for persons between the ages of 18 and 70 and nonoperator's identification cards for persons 18 and older on an every-other-renewal basis.

Item 1 provides that a person who renews a driver's license electronically shall destroy the previous driver's license upon receipt of the renewed license.

Item 2 provides an exception for persons to electronically renew their driver's licenses. A person is not required to complete a vision screen or submit an acceptable vision report.

Item 3 provides that the Department may determine means or methods for renewing a driver's license electronically and sets forth the criteria a person must meet to be eligible to renew a driver's license electronically.

Item 4 provides that the Department may determine means or methods for renewing a nonoperator's identification card electronically and sets forth the criteria a person must meet to be eligible to renew a nonoperator's identification card electronically. The amendment also confirms in rule existing practice regarding surrender of prior driver's licenses or nonoperator's identification cards and provides that a person who renews a nonoperator's identification card electronically shall destroy the previous nonoperator's identification card upon receipt of the renewed nonoperator's identification card.

These rules do not provide for waivers. Any person who believes that the person's circumstances meet the statutory criteria for a waiver may petition the Department for a waiver under 761—Chapter 11.

Any person or agency may submit written comments concerning these proposed amendments or may submit a written request to make an oral presentation. The comments or request shall:

1. Include the name, address, and telephone number of the person or agency authoring the comments or request.
2. Reference the number and title of the proposed rule, as given in this Notice, that is the subject of the comments or request.
3. Indicate the general content of a requested oral presentation.
4. Be addressed to Tracy George, Iowa Department of Transportation, Office of Policy and Legislative Services, 800 Lincoln Way, Ames, Iowa 50010; fax (515)817-6511; Internet e-mail address: tracy.george@dot.iowa.gov.
5. Be received by the Office of Policy and Legislative Services no later than August 27, 2013.

A meeting to hear requested oral presentations is scheduled for Thursday, August 29, 2013, at 10 a.m. at the Iowa Department of Transportation's Motor Vehicle Division offices located at 6310 SE Convenience Boulevard, Ankeny, Iowa.

The meeting will be canceled without further notice if no oral presentation is requested.

These amendments were also Adopted and Filed Emergency and are published herein as **ARC 0895C**. The content of that submission is incorporated by reference.

After analysis and review of this rule making, no impact on jobs has been found.

These amendments are intended to implement Iowa Code section 321.196 as amended by 2013 Iowa Acts, House File 355, section 1.
